### RI Harvest Kitchen Project

Youth Made Local Farms Job Skills Good Food  
Can applesauce create new opportunities for RI farmers and at-risk youth? From local orchards to a commercial kitchen in Providence to your dinnertable. From the juvenile justice system to employable jobs skills and experience. The Harvest Kitchen is part of Farm Fresh Rhode Island's initiative to increase the variety of value-added local farm products available, and part of the Farm Fresh mission to create a community-based food system. Harvest Kitchen currently operates processing educational kitchens at a rented kitchen near the Wintertime Market in Pawtucket and inside the RI Training School in Cranston.

PV Farm Stand Cookbook  
**\$15.99/book** **reg. \$19.99** Book

\$2.00 from every cookbook is donated to the farm fresh harvest kitchen program.
